

Vender Information

All vendors must maintain their spaces during the entire open hours of the event. Vendors are responsible for their possessions and property. We do not hold liability for any property that is stolen, damaged, or otherwise during the event. During the evening, the gates and buildings are locked.

Move-In Day

Always the FRIDAY BEFORE THE FESTIVAL OPENING

The grounds will be open from 9 a.m. - 7 p.m. for booth set-up. Stop at the package pick-up entrance to check in and obtain your weekend armbands. Three armbands are given with your paid festival space. Each additional weekend band is only \$5.

Indoor Booths

These 10x10 spaces are located inside pole buildings. Nothing permanent is allowed to be constructed. Each space has access to electricity. Electrical cords may be necessary for access.

Tent Booths

The tents provide overhead protection. They do not have sides. You are encouraged to bring coverings for overnight.

Outside Booths

Booths follow walkways and do not have overhead coverings. Stakes for tents must be within your own space and cannot penetrate the asphalt.

Please see additional rules and regulations.
